

## How to Use Card Management in DimeOnline.

*To deactivate your card...*

**Step One:** Log in to your Dime Bank account.

**Step Two:** On the top right-hand corner, click on the User icon.

**Step Three:** In the drop-down, click on "Banking Services".

**Step Four:** Click on "Turn On/Off My Card".

**Step Five:** Under the card you want to deactivate, click "Deactivate".

**Step Six:** Wait until you see the status of your card has been changed.

*To reactivate your card...*

**Step One:** Log in to your Dime Bank account.

**Step Two:** On the top right-hand corner, click on the User icon.

**Step Three:** In the drop-down, click on "Banking Services".

**Step Four:** Click on "Turn On/Off My Card".

**Step Five:** Under the card you want to activate, click "Activate".

**Step Six:** Wait until you see the status of your card has been changed.
